

Highfield Priory Staff

Highfield Priory has a dedicated team of passionate and talented staff, ensuring each child achieves their full potential. Our staff members are highly qualified, up to date with the latest teaching strategies and between them they enjoy a wealth of experience of working with young children. We have low staff turnover ensuring continuity and expertise across both the school and nursery. We strongly believe that outstanding staff are essential for an outstanding education; for this reason, lots of time and effort goes into recruiting the very best.
